David Vore –Mont. County Police Chiefs Assn.
Donna Winchester – Dayton Water Department

NONMEMBERS PRESENT

Brandon Whitmer - MCOEM
(a) = Alternate

1. **Call to Order:** Mr. Reichard (Chair) called the meeting to order at 8:42 am. He noted a quorum was not present. Reichard then suggested that the order of the agenda be altered to save the items needing a quorum be moved for later in case one more member arrived.

2. **Introductions:** All present were asked to introduce themselves.

3. **Committees:**

A. Compliance – Mr. Lindsay reported that a comparison between 2006 and 2007 filings will be completed and provided to Denny Bristow for follow up. Mr. Bristow reported that one of the eight authorized HMEP Special Inspections has been completed and the other seven are scheduled for August.

B. Exercise/Training – Mr. Bristow reviewed the June 20 exercise evaluation report from Marc Burdiss, Ohio EMA. Mr. Burdiss has since changed employers and was unavailable to attend the MGCLERC meeting to review the exercise. Mr. Bristow noted the list of evaluators who assisted in the preparation of the report and thanked them for their participation. He reviewed the specific evaluations for each of the 12 Objectives covered by the Full Scale exercise, noting that all 12 objectives were met. Where individual “points of review” were noted as not met, Bristow described the steps planned for correction, typically involving training for agency coordination.

The SERC will have this exercise evaluation on their agenda at their August 13, 2008 meeting.

MONTGOMERY/GREENE COUNTY
LOCAL EMERGENCY RESPONSE COUNCIL

4. **Information Coordinator Report:** Mr. Lindsay presented the following information:

1.

Service Statistics	2007 Year End	2008 to date
Information Requests received	31	21
Spill reports received	18	2
Cessation of Regulated Operations	1 (Delphi – Moraine)	0

2. Represented MGCLERC at a meeting with Dayton Fire Department and the Dayton Metropolitan Housing Authority (DMHA) on June 16, 2008. DMHA is developing emergency response plans for their housing facilities for events such as weather emergencies, fire, security issues and the like. Also, DMHA has offered use of a high rise apartment building for a future MGCLERC exercise.

3. Represented MGCLERC at the Dayton Regional Hazardous Materials Response Team Advisory Board meetings.

4. Press release regarding the re-scheduled full scale exercise was released on June 12, 2008. Made new arrangements for the “Hot Wash” lunch which followed the exercise.

5. Made a presentation on Chemical Emergency Planning and the MGCLERC to the West Carrollton Rotary on May 20, 2008.

6. The 2008 LEPC Conference will be held at the Ohio Fire Academy in Reynoldsburg on Thursday, August 14, 2008. This one day conference provides learning opportunities for new LEPC members (LEPC 101) as well as informative sessions on LEPC programs around the state. Conference has been free in the past, though lunch is no longer included.

5. **Community Emergency Coordinator Report:** Mr. Bristow reported on the 1800-gallon sodium hydroxide (70%) spill at Hohman Plating. This cleanup took about 18 hours as a significant portion of the spilled material entered the storm sewer system.

6. Other Business:

Mr. Lindsay reported that the MGCLERC Truck Placard survey had begun, and that 4 of the 7 sites had been surveyed. The other three sites would be observed in the next week and a half and then the report could be compiled from the data.

7. **MGCLERC Resolution 2008-03.** Mr. Lindsay explained that the eventual hot wash ended up not being on the CSU campus and did not use the CSU catering services. As a result the cost of the lunch was under \$300, well below the authorized \$1,200.50. The resolution however was specific as to the catering vendor. Mr. Mitchell moved, seconded by Ms. Bernitt that the Resolution 2008-03 be amended to reflect actual events. Due to lack of a quorum, no vote was taken, pending a quorum at a future meeting.

8. **Next Meeting:** 8:30 AM on October 31, 2008 at American Red Cross Dayton Area Chapter (370 West First Street, Dayton, OH 45402)
